

¿Tienes animales?

(Thomas Klenze, 2019)

I have a cat called Corazón
He is very pretty, he listens to reggaeton

He has white fur, black fur and a tail
He has four paws, big eyes and a mouth

Ani mani ani mani animales
I have animals. Do you have animals?

I don't eat meat but my cat eats meat
He eats small birds, bunnies and small eggs

I drink water and my cat drinks water
He is not from Sweden he is from Nicaragua

I speak Swedish and a little bit of Spanish
Corazón doesn't speak Swedish and he doesn't speak Spanish

But he sings and I sing as well
We sing at home and we sing very very well

Ani mani ani mani animales
I have animals. Do you have animals?
